KF Tour of Israel
17 - 26 November 2009
Led by Colin Urquhart and Julia Fisher

The purpose of this tour:

- We will travel around the Holy Land using the Bible as our guidebook. Colin Urquhart will be giving some special teaching sessions based on the life and teachings of John.
- On the way we will be meeting many Jewish believers and Arab Christians some of whom are supported by Kingdom Faith - these appointments will not be published in advance.
- In seeking to understand modern Israel and the PA - the spiritual, social and political pressures of the region - we will ask the question, 'What is God doing here?'

(NB Israel is an expensive country, especially for those of us from the UK due to the pound being so low on the exchange rate; as a rough guide, I recommend you allow £10 per day for lunch and drinks - we aim to have a modest lunch and usually there is a choice so you can spend more or less! In addition you will need pocket money for souvenirs etc.

Whilst it is usually possible to pay by card, please bring your shekels with you - changing money in Israel can be a very time consuming business and can slow the group down - with a packed schedule this is something we try and avoid! I will send out more detailed guidelines nearer the time. JF)

NB TO ENTER ISRAEL YOU NEED AN UP TO DATE PASSPORT WITH AT LEAST 6 MONTHS LEFT TO RUN.
